

1 less, in some cases in Baltimore City you have, we can go  
2 through each one. 54 per cent in '59, '55 per cent in  
3 '63. That's all I have.

4 DELEGATE CLARK: Delegate Chabot.

5 DELEGATE CHABOT: Perhaps I didn't make myself  
6 clear or I didn't understand your previous answers.

7 I thought that you had indicated to me that instead of  
8 a drop-off from governor to mayor in the last, in each of  
9 the last four elections in Baltimore, each of the  
10 last four sets of elections, in two of those sets of  
11 elections, '58-'59 and '62-'63 there was actually an  
12 increase in the vote as you went from governor to mayor,  
13 is that not correct?

14 DELEGATE BYRNES: On two occasions we had  
15 this.

16 DELEGATE CHABOT: On two occasions we had  
17 increases and on two occasions we had decreases?

18 DELEGATE BYRNES: Yes.

19 DELEGATE CHABOT: So that do you still  
20 insist that the average drop-off from governor to mayor  
21 ranged, as you had indicated, about 20 per cent in
